

Dear C&E Museum Foundation Team

Help support the Military Communications and Electronics Museum through FlipGive!

The Military Communications and Electronics Museum is 60 years old this year!

You can help raise money for the Military Communications and Electronics Museum. From April 20, 2021 until Dec 31, 2021, YOU can earn along with C&E Museum teammates while you make your regular purchases at popular retailers like Walmart, Esso, Loblaws, Tim Hortons, Swiss Chalet and more.

Let's work together to achieve our goal!

To support our fundraising campaign:

8. Choose Online or Gift Cards
9. Select the store you want to shop with. Check if there any exclusions or terms or conditions that could affect your purchase.
